About AAAM

American Academy of Aesthetic Medicine offers a globally-recognized Board Certification program.

AAAM is dedicated to teaching physicians who have a scientific and clinical interest in the specialty, and in developing or expanding their Aesthetic Medicine practice. AAAM teaches the art, science, techniques and procedures of Aesthetic Medicine to licensed physicians, regardless of specialty. We provide education and hands-on training, and disseminate leading edge information gathered from advances in North America and around the world to our members and course delegates.

AAAM History: Key Milestone

“Do you know the history of the American Academy of Aesthetic Medicine and how it was founded? Ever wondered why AAAM is the first global leader in education and training since 1999?”

AAAM International Global Footprint

The American Academy of Aesthetic Medicine (AAAM) is the 1st global leader in the Aesthetic Medicine specialty. Founded in 1999, AAAM advances the art and science of Aesthetic Medicine and is dedicated to providing physicians with the latest scientific information, highest patient care standards, and techniques through its educational courses, congresses, and publications.

AAAM emphasizes extensive hands-on training so as to ensure physicians are well-equipped. AAAM Members and constituents enjoy worldwide recognition; AAAM disseminates education and training in North America, Asia, Mid-East, Europe, and South Africa, and is the exclusive USA member of the International Union of Aesthetic Medicine. It holds more than 70 courses annually, and over 600 physicians across 30 countries have been AAAM Board Certified in Aesthetic Medicine.

Why Exhibit?

Showcasing your brand at the annual AAAM Congress and our monthly training courses means more than visibility—it's a direct connection to a growing network of passionate medical professionals. Whether they're established experts or rising talents specializing in Aesthetic Medicine, these are the people shaping the future of the field.

Be where the decision-makers are. Share your innovations, build trust, and spark conversations that lead to lasting partnerships. Let your presence inspire them to choose your brand as a trusted ally in their aesthetic journey.

Reviews from Past Exhibitors

“ HansBiomed MINT PDO had an amazing time meeting and networking with top medical aesthetic professionals in one place at the 16th AAAM. The congress provided the ultimate opportunity to showcase new procedures, products, and technology to elite aesthetic professionals and an inclusive environment to meet with providers with a wide ride of aesthetic specialties. We will definitely return for the 17th AAAM in 2020! ”

HansBiomed USA Inc.
(MINT PDO)

“ Our company exhibited at AAAM Congress for several years now and built many meaningful relationships with the attendees. We collected a lot of quality leads who turned into our regular customers. The event management was also very helpful with all the accommodations. I would highly recommend this meeting for both attendees and the exhibitors if they are looking to make good connections. ”

Reviews from Past Exhibitors

“We registered as an exhibitor at the 16AAAMC and it was fantastic! The attendees numbers were very accurate. I was able to get a lot of good leads. We were checked on and welcomed which is a rarity at shows. They kept competitors at good distance and they even gave us more space to showcase.”

MEDITHREAD LLC

“Very accommodating and the food was good. I already reserved a table at their next show and I definitely recommend exhibiting with them.”
