

Dr. Navid Pooyan, MD
Double Board-Certified Aesthetic
Physician | UBC Clinical Instructor |
AAAM Faculty

Dr. Navid Pooyan is a double board-certified aesthetic physician, medical director, international speaker, and published author with expertise in evidence-based aesthetic medicine and minimally invasive aesthetic treatments. He is the Founder and Medical Director of **Papillon Bleu Medical Aesthetic Centre** in Port Moody, British Columbia, where he specializes in advanced, patient-centred approaches to facial aesthetics, skin rejuvenation, laser therapy, tissue regeneration, and non-surgical hair restoration.

A licensed physician in both **Canada and Washington State**, Dr. Pooyan completed his medical residency at the **University of British Columbia (UBC)** and continues to contribute to medical education as a UBC Clinical Instructor. His advanced clinical training encompasses laser-based treatments, facial aesthetic balancing, regenerative aesthetics, and emerging approaches to tissue regeneration, including **platelet-rich plasma (PRP) and exosome-based therapies**, as well as non-surgical hair restoration.

Dr. Pooyan is a faculty member of the **American Academy of Aesthetic Medicine (AAAM)** and regularly contributes to the advancement of aesthetic medicine through clinical education, professional speaking, and published work. His approach combines scientific evidence, clinical experience, and a strong emphasis on patient safety and natural-looking outcomes.

As an international educator in aesthetic medicine, Dr. Pooyan shares practical insights into modern facial aesthetics, regenerative treatments, laser technology, and minimally invasive techniques with physicians and healthcare professionals worldwide. His commitment to evidence-based practice and responsible innovation makes him a valued contributor to the global aesthetic medicine community.
