

David J. Goldberg, M.D., J.D.

Dr. Goldberg earned his medical degree from Yale University School of Medicine. He completed his dermatology residency and dermatologic surgical fellowship at New York University Medical Center. He has served as President as well as Chairman of both the Ethics and International Committees of the American Society for Laser Medicine and Surgery (ASLMS). Dr. Goldberg was the first ever recipient of the ASLMS Leon Goldman award named after the founder of laser medicine. He is past Chair of the Ethics Committee of both the American Academy of Dermatology and the American Society for Lasers in Medicine and Surgery. He has also been a member of the Board of Directors of the American Society for Dermatologic Surgery (ASDS), American Academy of Dermatology (AAD) and the American Society for Lasers in Medicine and Surgery.

Dr. Goldberg is a Clinical Professor of Dermatology and former Director of Laser Research and Mohs Surgery at NY's Mount Sinai School of Medicine. He is also Clinical Professor of Dermatology and Chief of Dermatologic Surgery at UMDNJ-New Jersey Medical School. He has published over 170 peer-reviewed manuscripts and is author and/or editor of 15 books on Laser Hair Removal; Ablative and Non-ablative Skin Rejuvenation; Photodamaged Skin, Complications in Cutaneous Laser Surgery, Acne, Rosacea, Fat and Cellulite Treatments as well as Dermal Fillers in Dermatology. Dr. Goldberg has performed pivotal research studies in the areas of laser hair removal, non-ablative skin treatments, cellulite and skin tightening, erectile rejuvenation, dermal fillers and new botulinum toxins. He is on the editorial boards of the Lasers in Surgery and Medicine and Dermatologic Surgery. He has served as Senior Chief-Editor of the Journal of Cosmetic and Laser Therapy. Dr. Goldberg is also an attorney having graduated from NY's Fordham University School of Law where he currently serves as an Adjunct Professor of Law and has taught a course entitled "Advances in Health Care Law." He currently writes a monthly column entitled Legal Eagle for Dermatology Times.

Finally, in 2020, Dr. Goldberg merged his 3 office practice with the Schweiger Dermatology Group (SDG). SDG is the largest dermatology group in the NY/NJ/PA region and the 4th largest dermatology group in the US. Dr. Goldberg currently serves as the Director of Cosmetic Dermatology and Clinical Research for their over 75 SDG offices.
